**LANE AND ROAD CLOSURE NOTIFICATION – WEEK OF MARCH 13**  
**INTERSTATE 10 WIDENING PROJECT WILL REQUIRE INTERMITTENT CLOSURES**  
**ON LOCAL STREETS IN REDLANDS**

During the week of March 13, the Interstate 10 freeway widening project will require the following lane and road closures on local streets in Redlands:

- **Orange Street – Lane closure, March 13–17, 6:30 am - 3:30 pm + Full closure, March 13-15, 8 pm - 4 am**  
Forms will be placed along the bridge, requiring the continued lane closure on Orange Street. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated cross walk areas. In addition to the day closure, Orange Street bridge work will continue during the night hours, requiring a full closure on March 13-15 between 8 pm and 4 am.
- **Church Street – Full closure, March 13–17, 6:30 am - 3:30 pm + Full closure, March 13, 8 pm - 4 am**  
Bridge work will require a full closure of Church Street to prepare for widening the bridge. Motorists will be detoured to Sixth Street via Colton Avenue and Stuart. In addition to the day closure, Church Street bridge work will continue during the night hours requiring a full closure on March 13 from 8 pm to 4 am.
- **University Street – Lane closure, March 13–17, 9 am – 2 pm + Full closure, March 13, 8 pm - 4 am**  
Work crews will be placing forms along the bridge, requiring lane closures. Work will be allowed only during the off-peak hours of 9 a.m. to 2 p.m. At least one travel lane will be maintained in each direction throughout the closure. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated crosswalk areas. In addition to the day closure, University Street bridge work will continue during the night hours, requiring a full closure on March 13 from 8 pm to 4 am.
- **Citrus Avenue – Lane closure, March 13–17, 6:30 am - 3:30 pm**  
Bridge work will continue on Citrus Avenue, requiring a lane closure. During the closure, at least one travel lane will be maintained in each direction. Pedestrian traffic will be moved to the opposite side of construction. Please follow all posted signs and cross the street only at designated intersections.
- **Highland Avenue – Full closure, March 13–17, 6:30 am - 3:30 pm**  
Bridge demolition work will require a lane closure on Highland Avenue to prepare for widening the bridge. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated crosswalk areas.
- **Ford Street – Lane closure, March 15–17, 6:30 am - 3:30 pm**  
Bridge demolition work will require a lane closure of Ford Street. During the lane closure, at least one travel lane will be maintained in each direction. Pedestrian access also will be available on one side of the street. Please follow all posted signs and cross the street only at designated crosswalk areas.

Please follow posted signs and drive carefully through the construction area. For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov).

SANBAG appreciates your patience during this freeway widening project.
